## **Update**

The Office of Lender Activities and Program Compliance (OLAPC) is pleased to publish the fourth edition of our newsletter, *Lender Insight*. This issue includes information on Mortgage Insurance Certificate corrections, voluntarily withdrawing a lender's FHA approval, FHA's PETR escalation process, life of loan flood certifications, origination case binder documentation, and more. This issue also contains the Quarterly Loan Review Findings Report for the quarter ending December 31, 2013.

The goal of *Lender Insight* is to offer insight to FHA lenders about what we see behind the scenes in lender approval, recertification, monitoring and compliance, and enforcement actions. Each issue contains core information designed to help our lenders better understand the trends we are seeing. The newsletter is distributed to readers via FHA's Single Family Housing Industry Email List. If you would like to receive the newsletter, but are not on the list, please visit <u>SFH News</u>. **Issue #4 is attached for download.** 

**NEW!** Effective January 2014, past editions of *Lender Insight* and our Quarterly Loan Review Findings Report are available on our lender page at <a href="www.hud.gov/lenders">www.hud.gov/lenders</a> under the "Performance" tab.
